

Conditions of use:

1. If we use photographs of small groups of pupils, we will avoid using the full name of the child (first name and surname) in the accompanying text or photo caption. Please note that the media are likely to use first names and surnames in their publications.
2. We will not include personal e-mail or postal addresses, telephone or fax numbers on video, on our website, in our prospectus or in other printed publications.
3. We may use group or class photographs or footage with very general labels such as "A Science Lesson" to display work.

Photo Permission Form

Dear Parent/Guardian

There are formal and informal occasions throughout the school year when photographs of the children may be taken at our school. These formal and informal occasions include first day at school, sports events, awards ceremonies, display of work, visitors to the school, school social occasions etc.. We may use these images in the school newsletter, the school prospectus, as well as on the school website or on project display boards at our school. We may also make video recordings of school plays or other work.

From time to time the media may visit the school and may take photographs, film footage or carry out radio interviews. Pupils will often appear in these images, which may appear in local or national newspapers, or on televised news programmes. Photos for the media and other publicity purposes may also be taken at events where our school is taking part.

As a parent/guardian, you have rights over how a photograph of your child may be used and the right to give or refuse permission for your child's photograph to be used.

I would be grateful if you would complete the consent form below indicating whether or not you agree for your child to have their photograph taken and appear in the various media forms mentioned above, on school display and the school newsletter and on the school website, should such opportunities arise during their primary schooling at Gaelscoil Chill Mhantáin.

I consent / do not consent to my child's photograph being taken when participating in school activities.

If your answer to the above question is I consent, please tick the box to say that you are happy for the photograph to be used in the following ways:

- a) On display as part of school work, for example within the school, in local churches, libraries etc. on special occasions
- b) In publications and publicity materials produced by the school and in publications by local and national media.
- c) On the school website.
- d) On video recording made for the school.

I have read and understand the conditions of use on the back of this form.
